

76503B - NORCO 3 Ton Capacity Bottle Jack

Brand: Norco
Product Code: NOR-76503B
Call for Price: 877-805-1154

Short Description

FEATURES:

- Two piece zinc plated handle.
- Prevent rust with “Parkerized” pump piston, ram and extension screw.
- No leak “Uniweld” construction.
- 50% safety overload factor.
- State of the art design reduces repair time.
- Longer wear life due to internally machined oil passages, smooth bearing surfaces and close tolerances.
- Lightweight forged base provides more steel only where strength is required.
- The heavy-duty extension screw and release valve were designed to eliminate parts and reduce the chances of breakage and excessive wear.
- Safety bypass and overload systems prevent cylinder damage and prevent the jack from being used beyond the ASME/PASE load-limiting standard.

Description

For heavy duty truck, agriculture, construction, mining, mobile home, oil field, automotive, and marine applications where lifting, pushing, spreading, bending, pressing, or straightening are required.

FEATURES:

- Two piece zinc plated handle.
- Prevent rust with “Parkerized” pump piston, ram and extension screw.
- No leak “Uniweld” construction.
- 50% safety overload factor.
- State of the art design reduces repair time.
- Longer wear life due to internally machined oil passages, smooth bearing surfaces and close tolerances.
- Lightweight forged base provides more steel only where strength is required.
- The heavy-duty extension screw and release valve were designed to eliminate parts and reduce the chances of breakage and excessive wear.
- Safety oil by-pass system prevents the ram from being overextended and causing damage to the cylinder.

Specifications

DIMENSIONS:

Low Lift Height	7.5"
High Lift Height	15.5625"
Stroke	5.25"
Screw Extension	2.8125"
Base Size	4" x 4.5625"
Carry Handle	No
Shipping Weight	8 lbs.
