

571B - AFF - 1000 LB Capacity Engine Stand

Brand: American Forge & Foundry

Product Code: AFF-571B

Call for Price: 877-805-1154

Short Description

AFF Engine Stands are used in the positioning and transport of automobile and light truck engines in a wide variety of vehicle facilities. All AFF Engine Stands include a 360* rotating head, which efficiently puts the engine in the optimal work position, rugged full swivel casters and heavy-duty tubular steel construction. Superior welds in all locations provide maximum strength and durability.
