

350SS - AFF - Professional 3.5 Ton Heavy-Duty Double-Pumper Floor Jack

Brand: American Forge & Foundry
Product Code: AFF-350SS
Call for Price: 877-805-1154

Short Description

350SS - AFF - Professional 3.5 Ton Heavy-Duty Double-Pumper Floor Jack

AFF Floor Jacks are heavy duty and designed to meet the demanding lifting needs of the professional service technician. Features include heavy gauge steel, flanged side plates for strength, UV powder coat paint, and safety overload valve for added protection. These are some of the strongest and most durable jacks in the industry. This unit offers all the features of our Model 350GT with additional speed and efficiency, thanks to AFF's double-pumper advantage for quicker lifting.

Features:

- Lifts from 4" to 19-1/2".
- Pinned steel saddle (1-1/8" stud) with rubber pad for added vehicle protection.
- Rear-mounted 2-3/4" swivel casters for ease of maneuverability.
- One-piece 50-1/4" padded handle parks upright
- Equipped with a double pump design to increase speed without compromising overall performance of the jack.
- Second volume pump assists in getting the saddle to load much quicker than most other single pump designs on the market today.
- Tough powder coated frame for longer shop lift
