## **Description**

Rotary SPO12N7T5 (SPO12-TA) - 12,000 lbs Capacity, 2-Post Symmetric Lift w/ Front and Rear 3-STAGE Arms & Truck Adapters

More dealers and independent repair shops choose the Rotary SPO12 because of its reputation for quality and reliability. With a standard feature set that can't be beat, it's easy to see why. Every SPO12 comes standard with our exclusive single piece "double S" column, front and rear three stage arms, stackable thread-up truck adapters and Rotary piece of mind. Customizable features include low ceiling or extended height settings.

The Rotary SPO12 sets the standard for reliability and quality in 12,000 lb. lifts.

- Standard front & rear three-stage arms
- Truck adapters with stackable inserts for added reach
- Available in alternate height configurations
- ALI Gold Certified
