

212-1/2" - Rotary Wheel Alignment Auto Lift (14,000lbs) ARO14N102TY

Brand: Rotary

Product Code: ARO14N102TY

Call for Price: 877-805-1154

Description

Rotary 14,000lbs.-Capacity Four Post Surface-Mounted Drive-On Auto Lift with open front and wheel alignment action rack system.

This product also features a filter-lubricator regulator for clean, lubricated air, adjustable latch bars to ensure the runways are level, and a dual function Sentinel Lock™ system with a patented slack cable guide arm that stays “on guard” to manage the lock latch. This lift comes with two FA5153 stainless steel radius gauges and two 7,000lbs.-capacity rolling jacks. Lift rise is 73-3/4”, with a recommended bay size of 15' x 28'.

Note: Freight charges for this product are NOT included and will be calculated after order is placed.

Sales taxes will apply in CA, CO, FL, IL, IN, KS, KY, MI, MO, OH, PA, TN, and TX.
