

Rotary Auto Lift 4 post Closed Front 14000lb 206-1/2" WB SMO14N102Y

Brand: Rotary

Product Code: SMO14N102Y

Call for Price: 877-805-1154

Description

Rotary 14,000lbs.-Capacity Four Post Surface-Mounted Drive-On Auto Lift with closed front and no overhead obstructions.

This product also features a filter-lubricator regulator for clean, lubricated air, adjustable latch bars to ensure the runways are level, and a dual function Sentinel Lock™ system with a patented slack cable guide arm that stays “on guard” to manage the lock latch. Lift rise is 73-3/4”, with a recommended bay size of 15' x 27'

Note: Freight charges for this product are NOT included and will be calculated after order is placed. Sales taxes will apply in CA, CO, FL, IL, IN, KS, KY, MI, MO, OH, PA, TN, and TX.
