Rotary 30-Gallon Low-Profile Rolling Drain Pan FC5967BK

Brand: Rotary
Product Code: FC5967BK
Call for Price: 877-805-1154

Short Description

Rolling Drain Pan; 30 Gallon (114 Liter) Low Profile Rolling Drain Pan With Splash Guard, Drain Valve And Dust Cap.

Description

Rotary 30-Gallon Low-Profile Rolling Drain Pan comes with a splash guard, drain valve, and dust cap. This pan is for use with QL4P, SM/SMO122, SM/SMO14, and SM18 model lifts, and the pan's low-profile design allows it to roll under the crosswalk of all QL models. Freight is included with all Rotary Lift products shipped from the factory in Madison, IN! Sales taxes will apply in CA, CO, FL, IL, IN, KS, KY, MI, MO, OH, PA, TN, and TX. When purchased with a lift, additional discounts may be available. Please call for better pricing.
