

Rotary Adjustable Lift Adapters FJ6200

Brand: Rotary
Product Code: FJ6200
Call for Price: 877-805-1154

Description

The FJ6200 thread-up adapter accessory kit offers 2 3/4 in. of incremental adjustment, and can be used with the company's SPO12 two-post surface lift. The adapters are raised or lowered by twisting and can be used by themselves on the lift arms, or in conjunction with stackable adapters, depending on the height required to properly access pickup points for the vehicle being raised. The adapters are made of high-strength steel for durability.
