

Hunter 148-133-2 Lubri-Oil

Brand: Hunter
Product Code: HUN-148-133-2

Price: \$22.00

Short Description

Hunter Engineering Equipment Lubricant - Lubri-Oil

1 Pint (.473 Liter)

Use in Hunter Tire Changers, Lift System Air Locks and Air Tools. Provides lubrication, prolongs life, maximizes performance. Won't swell rubber seals or weaken plastic parts.

Lubri-Oil will not emulsify in water. When the lubricator becomes contaminated with water overflow from the regulator, the oil will separate

Lubri-Oil weight is ISO32.
