

## Shure Realiti Workcenter 800085

**Brand:** Shure USA  
**Product Code:** SHU-800085  
**Call for Price:** 877-805-1154

### Short Description

Shure Realiti Workcenter, with a stainless steel top, is a 75"-tall, free-standing workcenter, which includes a workbench, tool board, upper storage cabinet, and accessories. Realiti workcenters and benches have a distinctive and contemporary design, engineered for the true professional, and the Realiti workbench has a high-quality stainless steel top, with a custom backstop and an attractive accent color decal (available in blue, orange, and silver). Two large drawers and four swing-out doors provide quick and easy access to a large storage area, and locks come standard.

Realiti workcenters also include a perforated, stainless steel tool board with work order holder, a 60"W flip-front locking upper storage cabinet with gas spring shocks, a slim fluorescent Technician Task Light to illuminate the work surface, a set of hooks and hangers, and free-standing uprights to secure the tool board and upper storage cabinet. This unit also features an all-steel construction with four easy access leg levelers, ball bearing drawer slides, and a powder-coated paint finish available in 22 Shure Signature Colors.

Color choice **MUST** be specified below. Click [HERE](#) to see the color options available.

Unit ships semi-assembled and measures 60"W x 75"H x 24"D. Note: Freight charges for this product will be calculated after order is placed, and we will contact you with the amount. Please call 800-320-8383 if freight quote is desired before ordering.

### Description

Shure Realiti Workcenter, with a stainless steel top, is a 75"-tall, free-standing workcenter, which includes a workbench, tool board, upper storage cabinet, and accessories. Realiti workcenters and benches have a distinctive and contemporary design, engineered for the true professional, and the Realiti workbench has a high-quality stainless steel top, with a custom backstop and an attractive accent color decal (available in blue, red, orange, and silver). Two large drawers and four swing-out doors provide quick and easy access to a large storage area, and locks come standard.

Realiti workcenters also include a perforated, stainless steel tool board with work order holder, a 60"W flip-front locking upper storage cabinet with gas spring shocks, a slim fluorescent Technician Task Light to illuminate the work surface, a set of hooks and hangers, and free-standing uprights to secure the tool board and upper storage cabinet. This unit also features an all-steel construction with four easy access leg levelers, ball bearing drawer slides, and a powder-coated paint finish available in 22 Shure Signature Colors.
