

A collection of various mechanical components is displayed on a white background. At the top center is a blue O-ring with a green inner seal. Below it is a smaller black O-ring. To the left and right of the black O-ring are two large, clear, circular O-rings. In front of these are two smaller black O-rings. Below the O-rings are two long, thin, rectangular strips, one green and one yellow. At the bottom center is a black rectangular plate with a white label that reads 'YG36-9100'.

Product Code: YG36-9180**Price: \$142.00**
