

82300D - Norco 1 Ton Wheel Dolly

Brand: Norco
Product Code: NOR-82300D
Call for Price: 877-805-1154

Short Description

For the removal and installation of single, tandem and duplex tires and wheels. Rigid front wheels.

FEATURES:

- Rear swivel caster wheel and rigid front wheels provide positive steering.
- 4" wheels with polyurethane tread protect floor.
- Lift arms can be adjusted in closer to handle the more common dual wheel combinations and then adjusted outward to handle the larger combinations.
- Lift arms with ball bearing rollers easily rotate vehicle rim for bolt pattern alignment.
- Lift arms supported at both ends minimize wheel movement.
- Adjustable height push bar provides unobstructed access to hub area.
- 3-1/4" travel adjustment on rear caster wheel matches lifting arms with spindle angle.
- Safety chain included to secure wheel assembly to dolly during removal and transport.

Description

For the removal and installation of single, tandem and duplex tires and wheels. Rigid front wheels.

FEATURES:

Rear swivel caster wheel and rigid front wheels provide positive steering.

4" wheels with polyurethane tread protect floor.

Lift arms can be adjusted in closer to handle the more common dual wheel combinations and then adjusted outward to handle the larger combinations.
