

## X-Force UTV Lift

**Brand:** Direct Lift  
**Product Code:** X-Force  
**Call for Price:** 877-805-1154

### Short Description

Working on your ride is part of the fun of having a ride to begin with. Direct Lift lets you work on anything from cars and trucks to motorcycle and utility vehicles, commonly referred to a UTV's. The new X-Force is narrow and sits 4.25 inches off the ground lowered. You can drive a golf cart over it and pick it up without issue. You have plenty of pickup options with this lift. Fold up ramps let you extend the lifting capability.

- Multi range lifting height
- Accomplish more at any level, detail work, tire and brake work, underside repair
- Narrow platform (Suspension work clearance, Golf Cart repair, 4 Wheeler work)
- 1+ Ton of lifting capacity, work the big, work the small
- Hydraulic cylinder includes locking teeth (See below for benefit)

### Features:

- Perfect for UTV's, Motorcycles, Golf carts, etc.
- 85 inch table length w/ramps
- Diamond plate surface
- Powder coated
- Hydraulic operated / Conventional pedestal mounted controls
- Available in **Blue** color only.
